

Press Release

FrankfurtRheinMain – Verein zur Förderung der Standortentwicklung e.V. is looking for 20 international budding journalists from all over the world to visit the region Frankfurt Rhein/Main from 26 August to 3 September 2011. Participating journalists will dedicate themselves particularly to the topics of science and research. Visits to research institutions and development centres as well as discussions with leading researchers and development agencies of science and economy will range among the programme.

Applicants should

- be budding journalists who are motivated, open-minded and interested with work experience
- provide networking skills for the print media of the home country
- have a good command of German language
- be interested in science, research and development
- be open to learn more about different countries, cultures and people

Online applications can be forwarded until 30 June 2011. Read more about the programme and requirements at:
